## Comments

09/04/13 Super #7 removed, 9+ frames honey. Excluder raised to top of #9.

06/02/13 Super #9 added, new frames. Boxes tumbled.

04/27/13 #1 box added, tumbled with #7. Bees very aggressive - use smoke next time. 8+ frames in #10 covered with bees.

03/30/13 Feeder removed.

03/03/13 Robbing from Bear hive?

02/17/13 Entrance feeder installed.

02/10/13 #1 super 90% full. Empty feeder removed.

02/02/13 Dry top. Copious workers. Feeder added.

11/24/12 Damp insulation in top. Temporary plastic added.
